

Hull Permit Fees

ELECTRICAL PERMIT FEE SCHEDULE - July 13, 1998

-General-

1. Fees for unusual or special conditions not itemized, will be determined by the Electrical Inspector and/or the Building Commissioner.
2. Minimum fees beyond those herein specified, shall be based on the number of required inspections, times \$15. Any additional inspections beyond those included in the minimum fee shall be charged at the rate of \$15 per inspection.
3. Inspections required for non-compliant work, shall be charged at the rate of \$25 per inspection.
4. All permits shall be obtained within five (5) days of commencing work.

-Fee Minimums-

One & Two Family Detached Structures

1. New structure or unit (up to seven (7) inspections)-----\$130 minimum
2. Existing structures per dwelling unit (one (1) inspection)-----\$ 25 minimum
3. Additions to existing structures (2 inspections)-----\$ 45 minimum
4. Work requiring more than one inspection, shall be determined at the rate of \$15 per inspection as prescribed in General item number 2; or based on the aggregate fees detailed in the miscellaneous category, whichever is greater.

All Other Structures & Uses

1. New structure or unit (up to eight (8) inspections)-----\$160 minimum
2. Existing structure per unit (1 inspection)-----\$ 35 minimum
3. Work requiring more than one inspection, shall be determined at the rate of \$15 per inspection as prescribed in General item number 2; or based on the aggregate fees detailed in the miscellaneous category, which ever is greater.
